A Message From Father Ken

Once again, it's time for our annual Stewardship Renewal!

It's a great opportunity to consider our commitment to stewardship as a way of life.

Oftentimes, I use my "TAG" acronym as an examination of conscience.

Am I **THANKFUL** for the gifts and talents God has given to me?

Am I **ACCOUNTABLE** in using my gifts and talents as God intends?

Am I **GENEROUS** in sharing my gifts of times, talent, and treasure?

Pope Francis recently had this to say:

"The Holy Spirit, in the variety of his gifts, unites us and enables us to contribute to the building up of the Church in holiness. Let us ask the Lord to help us to take an ever more active part in the Church's life and mission."

THANK YOU for your commitment to stewardship as a way of life here at Prince of Peace. May God bless you abundantly!

In Christ, the Prince of Peace,

Father Ken

Father Ken Kuntz

Electronic Giving

Electronic Giving is the term used to describe automatic methods for making church contributions on a regular basis without the need to write checks, use cash or prepare envelopes.

Electronic Giving provides convenience for you and consistency for the church. Electronic giving eliminates frequent check writing and helps members stay on track with their financial commitments even when they are unable to attend services. The church in turn benefits from much-needed donation consistency and a reduction in the volume of check and cash contributions that must be handled and manually processed.

To enroll in Electronic Giving, or to change your current Electronic Giving amount, complete the form (see Electronic Giving form on next page) and return it with your Commitment Card or to the Parish Office at your convenience.

Thank you for your stewardship of treasure!

P.S. Gifts of treasure can also be made online through our secure Parish website at: www.jcpop.org - just click on “Online Donations” and follow the instructions for one-time or recurring contributions.
